

## How to find the (eBully) bullying module within eLearning

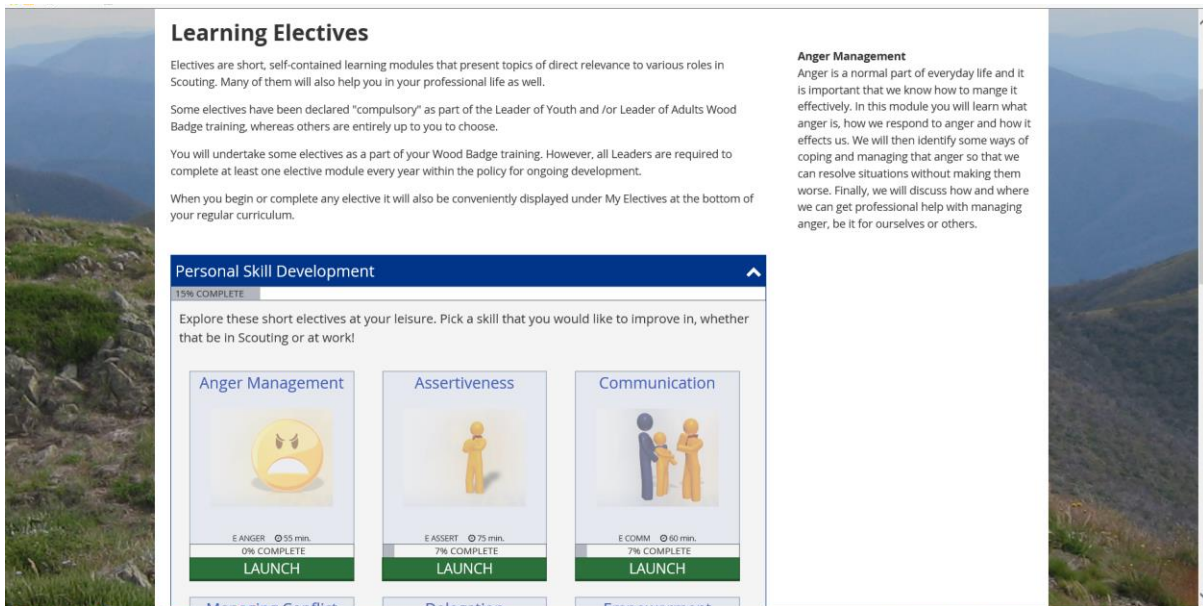

- Logon to eLearning via Scout Central. Click on the Training link on the default front Scout Central page.

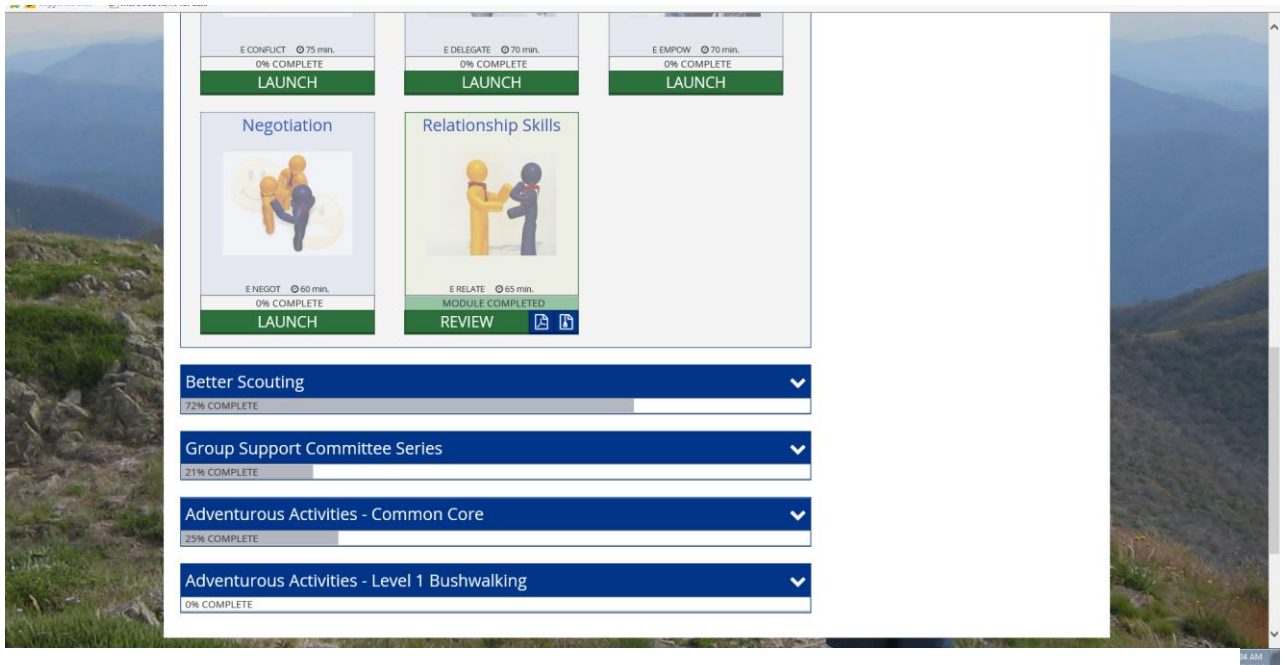

- The Training and development page will be displayed. At the bottom of the page, click on Learning Electives header link.

- The Learning Electives page should open up as screen shot below.

- Scroll down to Better Scouting heading and click the drop down arrow to open up the modules with that folder.

- The bullying module will be listed. Click on the launch button to start the module.

The screenshot displays a digital course interface for 'Better Scouting'. At the top, there are two buttons: 'LAUNCH' (0% COMPLETE) and 'REVIEW' (MODULE COMPLETED). Below this is a header for 'Better Scouting' with a progress bar at 72% COMPLETE. The main content area contains an introductory paragraph and a list of modules. A red arrow points to the 'Bullying' module, which has a 'LAUNCH' button and is 0% complete. Other modules include 'Behaviour Management', 'Introduction to the Patrol System', 'Growing Your Group', 'The USP of Scouting', and 'Introduction to Rovers'.
