The Quality Roving Award

“A step towards improving the quality of Rover Crews within NSW”

In “Rovering to Success”, Baden-Powell said of all Rovers:

“Remember you are you. You have your own life to live, and if you want to be successful, if you want to be happy, it is you who have to gain it for yourself. Nobody else can do it for you.”

The same is true of a Rover Crew. For a Rover crew to be successful, they must be driven to be active and to participate fully in the Rover program. With this in mind, the NSW Branch Rover Council has provided the Quality Roving Award (QRA) to assist crews towards improving the quality of their Roving, but also as a mechanism to set the direction, standards and quality of Roving that occurs within the NSW Branch.

A list of criteria has been developed in order to set the standards by which Roving should operate within NSW, as set out in the Branch Rover Council Constitution. Whilst the focus of each individual is different, the guidelines recommended in the QRA represent what can be seen as the essential elements for a quality crew to operate effectively.

APPLICATIONS

Applications will be available from the Vice-Chair of the Branch Rover Council and will also be distributed to each Regional Rover Council in the later part of the year.

The closing date for applications shall be the last meeting of the Branch Rover Council prior to their Annual General Meeting of that year.

An application must be submitted to their RRC for consideration. Once a crew’s application has been passed by the RRC the Regional Rover Council Chairman shall advise the Branch Rover Council Vice-Chair of the existence of a Crew within their Region wishing to apply for the QRA.

ASSESSMENT

In order to assess if a Crew has satisfied the criteria for the awarding of the QRA, a panel shall be convened to assess each Crew’s application, the panel shall consist of:

1. The BRC Vice Chair
2. Two other members of the BRC executive
3. Any other persons as the BRC Vice Chair sees fit to appoint

A member of the crew applying for the award may be requested to attend but all efforts should be made to provide supporting evidence within the application as well as a contact phone number. Evidence may include the Crew program, Region minutes, Crew logbook, Census documents and Training Certificates. These are not essential but will help aid the committee in making their decision. This panel shall review the Crews application for the QRA based on the criteria set out below, and then make a recommendation to the Branch Rover Council that the QRA either be awarded or not.

NOTES FOR APPLYING FOR THE AWARD

Once your Crew has decided to apply for the Quality Rovering Award you must fill in the Quality Rovering Award Application Form.

To fill in the form, mark each of the requirements that your Crew has met over the last Rover year (from Crew AGM to Crew AGM). As you mark these off, fill in the details column with any information that helps to prove that your Crew has met the requirement.

For more information contact the Branch Rover Council Vice-Chair at vice.chairman@nsw.rovers.com
